

"A Community Of One"

**Hassen Cara Lawton-Fort Sill CO-OP
Volunteer of the Year
Nomination Form**

The Lawton Fort Sill CO-OP is a volunteer driven organization and as such experiences the success that it does only through the dedicated volunteers that work throughout the year to assist Chamber staff in our mission of both community and economic development. With this in mind, the Chamber Board of Directors and CO-OP Executive Committee like to honor an individual each year that has demonstrated unselfish exemplary service in his/her role as a CO-OP volunteer. **The award will be presented at the CO-OP's Annual Dinges Celebration & Christmas Tree Auction on November 20, 2015.**

We are asking your assistance in nominating a person for consideration of this honor. There are no specific criteria – only that this individual exhibits the quality of service and leadership that can serve as an example to other CO-OP investors and volunteers. We request that nominations be made without the nominee's knowledge so that it can be presented without prior awareness.

Please return this form no later than October 15, 2015
