

Request for Proposal Digital display with tenant signage

The Lawton Fort Sill Chamber of Commerce is accepting proposals from members for a digital display with tenant signage starting May 24, 2022.

Your proposal must include:

- Digital draft|sketch of display and tenant signage with supporting structure that is aesthetically similar to the Chamber of Commerce physical building
- Digital displays must be programable from a remote location. (Cellular based or availability to remote login from browser)
- Two digital displays with a minimal of 10mm full color resolution
- Cost of electrical work for new line connection and routing from the Chamber of Commerce, underneath the parking lot, to the sign location.
- Cost with & labor, parts, and taxes
- 5-year service agreement and a separate quote for an additional 5-year service agreement for a total of 10 years.
- There should be removable placards for tenant signs, 6 on each side of the structure
- Signage, display unit and structure should be between 11-16 feet in height.

Proposals are due at the Lawton Fort Sill Chamber of Commerce no later than noon on Wednesday, May 30, 2022. Please submit proposals to the attention of Taron Epps.

Questions regarding this proposal may also be directed to Taron at (580) 355-3541 or tepps@lawtonfortsillchamber.com

Thank you for your consideration of this request.
